Instructor of Record at Florida State University

Tallahassee, Florida *August 2019 – May 2021*

- Developed an introductory Humanities course
- Led tri-weekly classes with lectures, class activities, and assessments delivered via Zoom to about thirty students
- Graded various assignments for multiple courses
- Taught in-person as an assistant for a Humanities class

Graduate Fellow at Linked Women Pedagogues

Tallahassee, Florida *May 2020 – August 2020*

- Conducted research for LWP, a project tracking over a century of women's contributions to pedagogy
- Scraped data from web resources like WorldCat, HathiTrust, Wikidata, and digital library resources
- Inputted data in Excel and ran functions in R to locate named entities within large documents

Writing & Editing Intern at Active Cities

Remote *May 2018 – August 2018*

- Wrote and edited blog posts about different facets of maintaining an active lifestyle
- Worked remotely with a team using various communication programs, including Slack and Skype
- Integrated posts into a WordPress blog and created a monthly newsletter using MailChimp
- Posted regularly on social media accounts, including Pinterest, Twitter, Facebook, and Instagram

Graphic Design Intern at The Dalí Museum

St. Petersburg, Florida *June 2017 – August 2017*

- Worked closely with the museum's Art Director and independently in her absence
- Collaborated with multiple departments on various internal and external marketing projects
- Mastered basic skills required for graphic and visual design and learned elevated techniques
- Contributed in meetings for marketing, budgeting, app development, and museum management
- Learned a comprehensive brand and helped to develop it for specific themes, events, and exhibits

Various Volunteer Experience

Tallahassee, Florida *August 2015 – April 2019*

- The Southeast Review: Fiction reader for the Summer 2018 semester; read dozens of short stories and helped to determine their artistic and literary value
- American Cancer Society: participated in Relay for Life, a national fundraiser for cancer research
- Habitat for Humanity: constructed and briefly lived in a shack to bring awareness to poor housing conditions
- Children's Miracle Network Hospitals: volunteered at Dance Marathon, a fundraiser for hospital systems
